AUTOBIOGRAPHY OF BERTHA DUDDE.

At the request of many friends Bertha Dudde wrote the following biography in 1953:

I have been writing messages, received through the inner Word since June 15, 1937. In answer to the many requests of my friends I will give you a picture of my earthly life, a short explanation of what I received spiritually, and my own feelings about all this.

I was born April 1, 1891, the second oldest daughter of an artist of Liegnitz in Schlesien, today's Poland I had a normally peaceful childhood, with six sisters in our parent home. I learned the cares of life at an early age. The desire to make money to help my parents made me learn the trade of a seamstress. As the financial needs of my parents continued, so the burden, and in this way I made myself useful.

My parents belonged to different denominations. Father was a Protestant -Mother a Catholic. We children were brought up in the Catholic faith, but never experienced pressure or force to follow the practices of the church so that each child in later years could pursue their own chosen course.

I myself was religious, but could not accept the doctrine of the Catholic system, although I respected the church. I could not represent something on the outside that my inner conscience had not accepted. So I did not continue to attend church, heard little preaching and had no knowledge of the Bible. I did not read any religious books or scientific literature and did not join any other group or religious sect.

Anyone knowing the Catholic teaching knows what a conscious struggle one finds himself in when he wants to loosen himself from it. I also was not spared from this. But the question as to what is the Truth, and where it is to be found, remained.

Often when I prayed the Lord's prayer I would beseech the Lord to allow me to find HIS kingdom. This prayer was answered in June 15, 1937, as I prayed quietly and waited on the inner voice. In this attitude I persisted often, for a wonderful peace came over me and thoughts which came to my heart, not my head, gave me comfort and strength.

Still I did not know that these thoughts were given to me, until in a strange dream I experienced something, which later proved to be the Truth and caused me to write down these thoughts.

So on a certain day as I listened inwardly a stream of words came to me, which I wrote down. This was the first message I wrote which started like this: **"In the beginning was the Word, 'a TE-DEUM' to the Creator of Heaven and Earth."**

Then came doubt, ...did you write this by yourself? In short, I have wrestled, prayed and gone through many struggles, but again and again the words came to me like a stream, a wisdom, which made me tremble. Then GOD HIMSELF took away my doubts. HE answered me and I acknowledged HIM as our Father, in HIS Word. My faith grew, doubt diminished, and I received and wrote daily.

The contents of the writings were beyond my understanding. Phrases, which I had never heard of, or read about, strange and scientific expressions and references continually came to me. Then came unheard of expressions of the Heavenly Father's Love giving refuge and providing enlightenment to all the questions of life.

The "Words" came to me in the following manner: After sincere prayer and a short period of composure I listened inwardly. Thoughts then followed coming to my mind, clearly, distinctly, and the words flowed smoothly always three or four, one after another, like writing a radio announcement or a weather report, slowly so that I could easily keep pace, writing line after line.

Now, I write the words in shorthand as a dictation without having any constructive or intellectual part in it. I am in no way in a 'trance', nor do I even form the sentences, but it comes to me one word at a time, neither do I understand the context while I am writing the words down.

After days, sometimes weeks, I transcribe the shorthand writings into longhand without changing or correcting a syllable. Each dictation takes about half an hour. I must stress that this could not happen forcibly or in a state of ecstasy. It all takes place simply and consciously, without any excitement or influence of my own will. I can interrupt myself at any time and finish the sentence after hours or days without reading the previous writing the dictated words continue again.

My will is under no compulsion, all that I desire is to serve GOD and do what HIS Will wants me to do.

I can truthfully say that I was led into this Truth, and these concepts were, in all respect foreign to me. It was only after years that I found confirmation of what I received, when I came to know the writings of Jacob Lorber. No one can imagine my joy when I discovered the literature of Jacob Lorber; "The Great Gospel of John" and the "Youth of CHRIST" Then I understood that other people were given the Word of the Lord, that GOD had spoken to HIS children at all times and that GOD will continue to do this in HIS endless Love and Mercy.

I found in Lorber's writings the same as was given to me. I often could not understand the word that came to me, but in HIS Love the Heavenly Father gave me the explanation. How wonderful are the innumerable manifestations in which the Father displays HIS exceeding great goodness.

It became clear to me that my short education, due to lack of money and my lack of time to read good books or visit performances, became my advantage. I could now concentrate on my work from early morning to late at night, and each day I received that precious spiritual Word without knowing for whom I received it.

It is because of my ignorance of the Bible and the Catholic doctrine that I accepted the Word from Above without resistance. In my experience an earnest Catholic or Protestant whose knowledge is rooted in dogmatic theories is too much bound to their dogma to accept and embrace Divine revelations without resistance.

Still there are scientists at several faculties who earnestly discuss these Divine teachings with increasing interest. Their interest does not only concern the irrefutable explanation of the origin of matter and the possibility of its dissolution, but also the principle of the wrong teachings of different religions, systems and confessions. In the messages I received these errors are recorded and everyone is urged to give instructions concerning these doctrinal errors whenever there is an opportunity.

But everyone is free to take the LORD's Word to heart or not. But whoever understands the spirit in the Father's Word and does not act accordingly makes the distance between himself and the Father even greater. When he does not follow the warning words of Love he puts himself inevitably under the law. He will also in the same measure lack in Grace, disregarding GOD's commandment of Love.

In GOD's Grace people are led anew to the gospel, which emphatically points out the purpose of man's being. For the merciful Love of GOD seeks to save all who still can be saved before the turning point comes. And it will come. The end-time of which seers and prophets have proclaimed is now here. According to the revelations given to me, the LORD does not differentiate between HIS children. "Come ye all to ME" sounds HIS call and blessed is he who hears HIS call and follows HIM. GOD Loves HIS children. HE wants to make them all happy, even when they do not want to know HIM.

God's call to diligent service: Obligation of distributing the Truth...

B.D. 2099,
5.10.1941

God's call to service.... Inner voice....

You should subordinate yourselves to the Lord in every respect, that is, you should always be willing to do that which is pleasing to God. You should only ever accept His will and whatever the inner voice then advises you to do will be right, for God Himself manifests His will to you through the inner voice. Thus, you carry out your will, so to speak, and yet it goes hand in hand with God's will. In that case, you no longer need to worry, for then you will live on earth under the protection of your spiritual friends who will mentally inform you of divine will. And spiritual striving will always be first required of you, although your earthly work ought not to be neglected, yet if you offer your services to God it is His will that you are at all times at His disposal, that you serve Him when He calls you to do so.... And you hear His call when you listen within. To be of service to God means to be ready for Him at all times and to follow His call. However, the call from above sounds gently and subtly in your heart, and in order to hear it you must practise humility, love, gentleness and peacefulness. Thereby you shape the heart's ear which will perceive the most subtle call and you will always know when the Lord is in need of you.... Then He will no longer call you in vain, for then you will hear His voice and hurry to be of service to Him.... Amen

B.D. 4170

God's call within your heart....

You have to heed the need of the moment, i.e. you have to hold yourselves in readiness, so when you hear My call within your heart you will be able to serve Me without hesitation, for the hour of taking up your post is near. And the sign and evidence of My Word's truthfulness rests upon the fact that worldly obligations no longer seem important to you once you have heard My voice, which clearly instructs you what to do. You will have no further desire for this world but only find joy in your spiritual work, and you will receive help in accomplishing it because it is My will. This time will be preceded by a spiritual drought, a time when you will hunger for My Word, for lively activity in the spiritual field, and when you will lack every opportunity for spiritual debate. Although you will receive My Word, and My love will always take care of you, you will find yourselves isolated amidst a world with a zest for life which is unable to give you anything. You will get little sympathy from other people and therefore feel down-hearted but move ever closer to Me, and thus your hunger for My nourishment for your soul will increase, until you suddenly hear Me inside yourselves.... And then the hour will have come for your mission to begin.... And I will make sure that you will be able to start your work, that you will lose all shyness, that all reservation and fear will leave you.

You will only speak, think and act in accordance with My will, you will represent Me Myself on earth, that is, you will speak what you receive through My spirit, you will be living witnesses of My Word. You will go amongst people as My disciples again and proclaim to them My Word, with the addition that the end is near and that I will come Myself to fetch My Own when the time has arrived which I have determined since eternity. And, in order for you to speak freely and unimpeded, I will place people by your side who will provide you with worldly support, who will accompany you as faithful followers, who will protect and shield you from the world, although you will always enjoy My protection and I will not leave you until the end. But I will also take care of you in an earthly way and you should fulfil your task without concern, because your mission will completely drain your strength, and therefore you shall be free from all earthly worries. But I ask of you to pass on the gifts you receive from Me and thus make them accessible to other people; to carry My Word into the world verbally as well as in print, to spread the truth and thus inform your fellow human beings of My working, so that their thoughts are directed to the spiritual kingdom. And I will bless your service to Me, I will give you strength until the end and one day will reward your work in eternity....
Amen

Reminder to work diligently for the kingdom of God....

You should tirelessly work for Me and My kingdom.... then you will fulfil your earthly task in accordance with My will, and then you will also master your earthly life, you will not need to be afraid that you cannot meet your worldly responsibilities, for earthly life will merely be secondary when spiritual life becomes more important.

Work diligently for Me and My kingdom, that is, try to inform your fellow human beings about My activity with you, try to instruct them of the truth, and draw their attention to the end and the signs of the time.... Take an interest in your fellow human being's state of soul and explain to them how vain and insubstantial worldly goods are, how people merely strive for worthless commodities and give scarcely anything to their souls because they don't know about their earthly task. Tell everyone whom I send your way. You have been instructed of the truth by Me and thus are capable to work as representatives of the truth amongst your fellow human beings. I have given you a rewarding task which will have beneficial results for you as well as for your fellow human beings, for the achievements won't just apply to earthly life but to eternity.... Fulfil this task with enthusiasm and do everything that furthers the distribution of the truth you have received from Me. Don't become indifferent in your work for Me and My kingdom but know that parched and starving souls everywhere are awaiting nourishment, which you should give to them with My gift from above.

And by remembering them you will be practising neighbourly love, for their souls require the sustenance from heaven, they need food and drink to strengthen themselves for their path of ascent. Work tirelessly, for time is short and requires diligent work in My vineyard, the souls suffer hardship, they are starved because too much attention is paid to the body's requirements and thus the soul's requirements are forgotten. Therefore help these souls, draw people's attention to the state of their souls, to a sudden end and their fate after death. Use every opportunity for spiritual conversations and thus motivate people to think about it. And then you will be doing the work for which I have employed you as labourers, and I will bless you, now and in eternity.... Amen

Working for the kingdom of God.... Mission....

People who are permeated by the spirit of truth are chosen to spread this truth, and this is a responsible mission on earth, for receiving the truth is also a commitment to pass it on. Constant activity is expected of them, activity for the kingdom of God which conveys the truth to earth through these people. Yet the hearts of those chosen to do so are able to love, otherwise the spirit of God would be unable to take effect in them. And this ability to love lets the work of spreading the divine truth become a joyful task which they gladly and readily comply with. As soon as a person is imbued by divine truth he also loses the sense for the pleasures and goods of the world; he only derives joy from spiritual knowledge and therefore the spiritual work becomes his purpose in life. And yet it is a responsible task if he bears in mind that he has the opportunity to lead untold souls onto the right path, onto the path of realisation, and that he must make the most of this opportunity in every way.... As a representative of God he is placed into a field of activity where he can work exceedingly successfully; however, it requires a firm will, great love, patience and perseverance, it requires the keen activity of body and soul, both have to yield to the urging of the spirit, which constantly spurs them to do this work. Thus the human being must place himself entirely at God's disposal Who informs the human being through His spirit about what his work consists of. As long as the soul is still in two minds it cannot hear the voice of the spirit clearly enough and must try to banish this state by unreservedly handing itself over to God and appealing to Him for his correct guidance in every way.... It must not anxiously speculate and think but must completely and trustingly hand itself over to the spirit's guidance and it will always take the right path.... Then all events in life will approach a person so that he can accomplish his spiritual work, so that he can work for the kingdom of God.

This work is not obvious at first, for the time has not yet come for the working of the labourer's of the Lord.... As yet His labourers are prepared in silence, and their activity, too, is limited; however, they shall even be active in silence until the time comes when great activity will start for the salvation of the souls which will suffer great adversity. But the spirit in the human being will guide him to where his work is needed. For time and again souls will be prepared who will likewise be responsible for working for the kingdom of God, for many labourers will be required in the vineyard of the Lord. Prior to this the divine truth will be conveyed to them, so that they will become competent labourers and be able to work for God in the coming time. For they will be needed by countless souls who still linger in spiritual darkness and will not be able to find the path to the light.... but where divine truth exists that is where light is shining, and if the light is given to people in the right way, if the truth is offered to them with love, many a heart will open up and allow itself to become enlightened. Being able to save souls for eternity is a happiness-inducing mission, it is a mission which is constantly accompanied by God's blessing, and every labourer in the vineyard of the Lord can be assured of divine help by merely eagerly striving to speak on behalf of the kingdom of God on earth, for then he will always be supported by spiritual forces and his work will be blessed.... Amen

B.D. 1797
30.1.1941

Duty of distributing the divine revelations....

It is indescribably commendable to spread the Word of God. That which is conveyed to people through God's grace shall not remain the sole property of the individual but shall be passed on to the many people who require it for their soul's salvation. Humanity is in serious trouble, it is so distant from God that it does not even recognise His will anymore and goes through earthly life in complete ignorance. However, the human being needs to know what God expects of people, consequently the information has to be imparted to them. And for this reason earthly children who are willing to be of service to Him are chosen by God with the task of making His will known to people. He Himself instructs them first so that they can subsequently pass on their knowledge to fellow human beings.

B.D. 3390, 3.1.1945

Obligation to pass on spiritual knowledge....

You are constantly instructed to increase your knowledge, and strength is also constantly conveyed to you which you ought to use for spiritual work as well. Therefore you should make use of this strength by distributing what is conveyed to you through the spiritual instruction, use it by passing on what you have received yourselves. Spiritual strength should never rest, that is, a person with strength at his disposal should never remain inactive, and thus spiritual strength should also continuously be used or it will be taken away from the person who leaves it lying idle. Spiritual work, however, is everything which contributes towards another person's knowledge.... It is irrelevant in which way this knowledge is imparted to him, only the fact that it is imparted is important. And this task is given to you who receive the spiritual knowledge from God either directly or through His instruments. Everyone who is offered spiritual knowledge, who accepts it and, after deliberating on it, accepts it as his spiritual possession, will only benefit from it if he passes it on with love. For once it has become valuable to him he shall also share it with his fellow human being, otherwise he is still gripped by powerful selfish love and the blessing of God's grace will barely be felt by him. Spiritual knowledge should never lie fallow if a person does not want to risk having it entirely withdrawn from him. For it is divine law that he who gives will receive, because unselfish neighbourly love is a prerequisite that the human being can receive. The spiritually striving aspirant should pay attention to his feelings.... his desires will be granted but it also obliges him to give the truth to the one who, like him, desires to know it. Furthermore, it also commits him to convey the truth to wherever error still exists, for the truth shall displace the error.

And therefore a bearer of truth must make an active effort to bring light to all places where darkness still exists. This is spiritual work which may never be excluded again if the human being is blessed to be educated by the spiritual kingdom. For the human being is only ever the organ of being's of light which want to bestow truth upon all people, especially those who are entrusted into their care to be spiritually guided by them. People themselves can only rarely hear the light beings' gentle voice; therefore they cultivate instruments for themselves which shall speak on their behalf.... This activity should never be ignored by a recipient of light, he should speak wherever the opportunity presents itself, he should communicate verbally and in writing, he should make use of every day and every hour and thus carry out the work he himself had offered to do for God, and constant achievement will be granted to him. He will be able to advance himself spiritually and likewise the people who are spiritually endowed by him. This admonition applies to all who are being refreshed by the font of eternal life and draw strength and fortitude from the divine Word. Everyone moves within a field of duty where he can be very industrious, and he should not neglect this, otherwise he makes himself unworthy of receiving the truth that is offered to him from above. For it is precious knowledge and shall be passed on for the benefit of people, so that it will remedy the immense spiritual adversity which is the cause of humanity's spiritual decline and which also results in earthly adversity and suffering.... Amen

The human race would perish without active help, and active help can only be found in the Word of God. But at the moment everything is rejected by people if it admonishes them to remember God or if they are taught about God in the usual traditional way. This is why God gives His Word to people again.... He provides them with an explanation about their purpose and their task.... He wants to come closer to them through His Word, He wants to familiarise them with everything pertaining to the creation; He reveals to them the correlation of all things and gives them the commandments, which are the basic conditions for their ascent to God. And willing people shall help to distribute the divine gift; they shall diligently strive to make the divine revelations accessible to the human race; as God's eager servants they shall always and forever make His activity known; they shall let their fellow human beings partake in the delectable gift of grace, so that the divine Word will find acceptance among people, that it will strengthen their faith and motivate them to do whatever it takes in order to live in a God-pleasing way.... thus to fulfil the commandments of love for God and their neighbour. Only when a person has knowledge of God's will can he be held to account if he does not live up to them. Admittedly, uninformed people cannot be held to account but neither can they utilise their life on earth and attain a higher degree of spiritual maturity, for they would have to be

extraordinarily lovingly active of their own accord, that is, love must be within them, but in that case they will **also** know the meaning and purpose of earthly life and their task. For God imparts His Word to everyone who desires it, it is just not always outwardly noticeable except in the shape of mental transmissions. But those who receive the Word such that they are able to write it down are particularly responsible for the distribution of this Word, for they receive much grace and shall therefore also share it. They shall proclaim the Gospel to all those who do not reject it.... Amen

B.D. 8663

3.11.1963

Task to spread the truth....

The spiritual wealth you own also commits you to passing it on, and since it is My will that you spread the truth I will also always bless your efforts. Therefore, don't allow yourselves to be discouraged by obstacles or difficulties which My adversary will always put in your way, for if I promise you My blessing My adversary's activity will be futile. I only want you to trust Me completely, I do not want you to undertake anything without having appealed for My blessing and My help.... I don't want you to forget **Whom** you are working for, because you are not doing earthly work when you try to spread the truth.... it is the fulfilment of the task I gave you Myself, and even if you work in a more or less earthly way, you will nevertheless only undertake it with the support of spiritual forces which may influence you in My name in every sort of work you do for Me and My kingdom. For time and again I say to you that people urgently need light.... Even if only a few ever desire it, but even these few can be effective in their circle, and you will be surprised where the truth from Me will shine to, you will notice the strangest correlations and be happy that you were able to contribute towards the fact that people receive light. And even though **My** guidance is obvious, people must nevertheless be at work so that everything proceeds within the framework of natural progression and no person is compelled into believing, yet always shows the love, wisdom and power of a God and Creator. However, you, My servants, shall also experience My love and care time after time, for every good Caretaker looks after his labourers. But I also regard My labourers as My children and I will not withhold anything they need from them. Just hand yourselves over to My Fatherly care, give yourselves to Me completely and, truly, I will guide you wherever you go, I will bless your work for Me and My kingdom and make sure it is successful. You should always know that I need you, for people must carry out what I deem to be good and successful, but due to people's free will I cannot work visibly Myself since it must be left up to people as to whether or not they want to accept the truth from Me which is offered to them by you. Nevertheless, they are in urgent need of this pure truth, and therefore I repeatedly try to attract faithful co-workers, and they can be assured of My Fatherly blessing.... Amen

B.D. 8529
15.6.1963

Encouragement for diligent vineyard work....

The fact that I Myself arouse the thoughts in you to convey My Word to those who will derive the greatest benefit from them should also spur you to carry out diligent spiritual work. People so often ponder over questions which I answer for them through you, and often they are delighted that they are granted this answer and thereby also recognise Me Myself and My activity.... Nothing truly happens by chance and I know every thought.... I convey My Word to you and Am therefore in constant contact with those of you who also think of Me, for it requires a heartfelt bond for My Word to affect you, be it directly but also indirectly, if you receive it through My messengers. But you, to whom I can speak directly, should use every opportunity to pass it on and always know that you thereby radiate many blessings, that nothing is done in vain and that I Myself guide you and direct your thoughts and only require your will to let yourselves be guided by Me.... Once a person has recognised My voice, every Word from Me will be a tonic for his soul, and the right nourishment and right refreshment will constantly be desired by him.... He will no longer be satisfied with human words, My Word alone will grant him strength and his soul will nourish itself by what it is offered from the Father Himself.... And thus you can believe that I will always be willing to pass the bread of heaven to those who long for it....

B.D. 5518, 27.10.1952

Awakening spiritual hunger....

Spiritual hunger shall be awakened among people. This requires the offer of tasty morsels which precisely contain that knowledge which was ambiguous to the human being. Every person can be touched somewhere, every person has a specific question which occupies him and if he can receive an explanation to it he will also open his heart for further knowledge, and then it will be most successful if the teacher does not deny him an answer, if all concepts are known to him and clear enough so that he can pass his knowledge on to another person.... so that he can satisfy the hunger of someone who desires the truth. The desire for truth has not yet been awakened in the human race, people casually dismiss what is incomprehensible to them, they don't desire clarification and therefore it cannot be offered to them either. But the reason for this can always be found in the fact that their thinking was not stimulated, that no samples were offered to them, that they were not impelled to express themselves, to clearly state their own thoughts; a question can be extremely interesting to them if it is asked at the right time and in the right way and the answer can be extremely satisfying if it is given by an authorised teacher who represents the pure truth and can pass it on. Then the desire for more knowledge will arise by itself in them, and only then can a famished person be nourished with the bread from heaven. An answer which betrays ignorance does not satisfy and can prevent people from wanting to find some kind of clarification; the pure truth, however, speaks for itself and therefore also to every person who wants to know it. And this person will always be offered the heavenly bread which is conveyed to him from above, he will no longer need to starve and live in want, he will always receive according to requirement and worthiness.... For enjoying the bread from heaven only requires the will to correctly revive the soul, it requires being receptive for what God's love offers him. Therefore you should, as true representatives of God and His kingdom, always proclaim His Word, even if there is no desire for it as yet, for He Himself will bless you if you speak and you will experience this blessing, because the listeners will want to know more themselves, they will look for every opportunity where the divine Word is proclaimed to them. What you received through God's great love yourselves must be distributed by you with love.... Then it will not fail to make an impression on your fellow human beings.... Then you will be promoting God and His kingdom and will render faithful vineyard work, for you are His servants, you should show the table of the Lord to those who want to eat and thus bestow good gifts; you should always proclaim the Word of God wherever the spiritually famished are sent to you, you should offer the bread of heaven to them and keep their spiritual hunger alive, so that time and again new nourishment will be requested for the souls who once have tasted the heavenly bread.... Amen

You will also feel urged to pass My Word on and shall always comply with your inner urging and truly, you will spray sparks of light in many a heart which ignite a fire again. And the desire for Me and My presence will grow ever stronger, it is the purpose of My address from above that people shall be affected by it and that their faith in Me will come increasingly more alive, that their desire to unite with Me becomes ever stronger and that My will, which is revealed to people through My Word, is subsequently also complied with.... Through diligent vineyard work you can contribute much towards it, hence you should not tire in distributing My Word and make use of every opportunity to inform your fellow human beings of the divine transmissions from the spiritual kingdom.... of the working of the spirit in the human being.... which I Myself promised when I lived on earth.... You should try to draw your fellow human beings onto the spiritual level, which certainly is hard work but it can be achieved.... Your willingness to serve Me, and your love for your neighbour will always let you find the right path, for I Myself direct

your thoughts and will always be active in you as well. I will lead the people to you whom you should please again, and I watch over you so that your work will not be disturbed by My adversary. And therefore you can rest assured that you are not at his mercy even if he would like to stop you and your activity on earth.... The end is approaching and I need your work in My vineyard, for people need to speak up where I Myself **cannot** express Myself but where I **also** want to be active so that people will attain beatitude.... For time is coming to an end and much work shall yet be done, this is why I bless every one of My servants who works for Me and My kingdom.... Amen

Passing on the divine Word....

A word-for-word rendition of the information you receive through the inner voice will always have the greatest impact, even if you are also capable of educating your fellow human beings yourselves people will nevertheless be less able to close themselves to the direct Word from above, for this reason written distribution is a blessing. And therefore I will bless every work which concerns the distribution of My Word and help you in every way, for it is particularly necessary that people take notice of My extraordinary working, which they can ascertain through the written Words if they are of good will. Anyone who wants to reject it will reject it in any form. But in the written rendition people will recognise My spirit, My voice, and open themselves to its effect, for My Word speaks for itself, no explanation needs to be added, it will always be understandable to people because I speak to every individual person Myself if he attentively and, with a desire for truth, accepts it in his heart, thinks it through and pays attention to the feelings he experiences as a result. You humans have so many means of help at your disposal, all of which are gifts of grace from Me to make the path of ascent easier for you.... However, My Word offered to you from above is the greatest and most effective means of grace which will guide you upwards for sure, for it is blessed by My strength, it is a direct emanation of Me Myself which must always have an extraordinary effect on you, it just depends on your will to let it take effect on you. And this is why many people shall receive knowledge of it, many people shall experience the blessing of My Word on themselves, they shall be born again, they shall live again and forfeit everything lifeless, all formalities for My Word. They shall recognise Me Myself in the Word, believe in Me and learn to love Me, they shall accept Words of wisdom which they can never ever be offered elsewhere if they did not originate from Me. They shall know that I, as the Creator of eternity, do not forget My living creations, that I as the Father do not leave My children on their own, that I want to help everyone to return to the Father's house, and that they desperately need My help and that they therefore should approach Me in prayer and appeal to Me for grace and strength in order to be able to shape themselves into love.... that they must know My will in order to fulfil it. Every work concerning this endeavour is blessed, for the time is rapidly approaching the end.... Amen

Selfless distribution of the Word....

Thus step into the circuit of My flow of love and let yourselves be instructed by Me: It is a tremendous gift of grace which you may receive from Me, and this gift of grace flows to you undeservedly. It is, so to speak, the evidence of My infinite love for you, who became sinful of your own will and shall return to Me voluntarily. And in view of the near end I truly try everything in order to make this return possible for you, to change your will and to provide you with the strength to take the path of ascent, which will lead you back to Me. You humans have not deserved this grace as long as are you still deliberately turned away from Me. And yet I convey it to you because I love you. I choose a suitable instrument for Myself which is willing to accept My Word directly and to forward it to its fellow human beings.... This, therefore, happens from **My** side in order to still gain all of you who defected from Me and to a large extent still are.... But now **your** task starts by making the right use of this great gift of grace.... And this involves first of all the unselfish distribution of that which is granted to you by My love. Thus you should do the same as I do: let My flow of grace pour into the vessels which open themselves.... You shall give what you receive, just as I give to you.... out of love. Most of all you should remember that it is **spiritual** knowledge that is imparted to you from Me, and that this spiritual knowledge must never be utilised in a material sense. It is self-evident to anyone who **recognises** Me and My love in this unusual gift of grace that it is only possible on a spiritual level to convey My Word to its destination, to the souls which require nourishment, which shall be addressed by Me so that they will obtain the blessing of My Words.... so that they will find and take the path back to Me into their Father's house. And thus you will also understand that no earthly interests of any kind may devalue this gift of grace. You have a Father Who is wealthy and can also share His wealth with you.... Who can and will also provide you with earthly blessings if only you serve Him selflessly.

As long as you have not understood this truth, you are not suited to distribute a divine gift of grace, and then you should keep your hands off it because you will only desecrate what your God and Father gives to you in His love and because it will not be a blessing for you either, because I don't support what contradicts My will.... I will never give My blessing to such an undertaking as soon as it entails an earthly desire for the goods of this world. It is My will that you should be of selfless service to Me and have given you the promise that I will take both earthly and spiritual care of you providing you only ever consider your salvation of soul the most important issue. You merely prove your unbelief if you worry too much about your earthly life, for then you will not primarily consider your soul's salvation.... for I have said to you 'Seek ye first the kingdom of God.... and all these things shall be added unto you....' And if you now even receive a gift from Heaven, which should truly demonstrate My love as well as My presence to you, then you should also forego all earthly considerations.... you should let yourselves be guided by Me and only ever try to fulfil My will.... However, the distribution of My Word from above is necessary, and for this reason I convey to you this serious Word of Mine which you should heed.... Entrust yourselves to Me entirely and believe that I will not let you, who are willing to help Me selflessly, get into difficulties.... but also know that you reduce the value of My gift yourselves if you associate it with earthly expectations which I will never fulfil but which might impair the spreading of My Word with the result that the blessing from above will fail to materialise. And thus you should first realise what an unusual gift of grace you receive from Me.... Then love and gratitude will overwhelm you and only then will you be true vineyard labourers for Me, for you will also know that My blessing will accompany every work you do and that you will work successfully for Me and My kingdom.... And then you will experience an abundance of blessings, for My love will have seized you and escort you until the end.... And then you will serve Me forever and be blissfully happy.... Amen

Unselfish distribution of the Word....

When you take part in the distribution of My Word you should only be motivated by your love for Me and other people. You should want to carry out the task I have appointed you to do, and you should try to lessen the other person's spiritual need which has prompted Me to endow you with gifts of grace abundantly, so that you share these where I cannot take action Myself. Your work for Me and My kingdom should only ever be inspired by love. Then success won't fail because love is a strength which is never without result. Although your spiritual work will be ridiculed by people who have no faith whatsoever because it is incomprehensible to them why someone would work without material gain.... but then you can be even more certain of My blessing which rests upon every selfless act of labour in My vineyard.... You have not understood the value of My gifts of grace until you regard them as spiritual values which alone can result in spiritual success. Only then are you useful servants to Me who do not serve their master for their own benefit but who seek to increase his profit.... And this consists of the acquisition of souls for the celestial kingdom.

One day you, too, will have to discard your body and you cannot bring your earthly possessions into My kingdom.... And yet you can enter it richly blessed because spiritual possessions follow you into eternity, which were disregarded on earth by those who did not become aware of the meaning and purpose of earthly life. They have acquired earthly goods for themselves on earth and consequently have already received their entitled reward for their actions and way of life. But they will have little to show for it at the gate of eternity because they took no notice of spiritual wealth. Those of you who want to work for Me and My kingdom should disregard earthly gain, only love should motivate you to do your work.... You should look around you and recognise the spiritual poverty in humanity's life.... You should want to help in the knowledge that humanity is approaching the abyss, and you should work untiringly because this is necessary in view of the end.

Then you will also understand why you become isolated from the outside world which can distract your attention from the task you should fulfil.... You will understand that time and again I will seek faithful servants to take part in the work, who want to bring the Gospel to their fellow human beings, because people ought to hear My Word which I repeatedly send to them through you.... And you will understand that I will knock on every door, that I send you before Me to announce the Lord, Who wants to come Himself, Who wants to take abode with them.... Since they cannot yet hear Me you have to go before Me so that I can speak to them through you, because they badly need to be informed of Me, of My love, which wants to save them before the end. And thus everything should be done to inform people that I work through My spirit in the heart of every human being who is of good will.... You should tell them with love and kindness of Me and My actions, you should bring them My Word which I have blessed with My strength, and you should not tire to take care of your fellow human beings' spiritual poverty by helping to spread My Word.... And I Myself will lead the people to you, I shall bless every selfless work done by you for Me and My kingdom.... Amen

Selfless vineyard work....

And you were given the task to spread My Word which is conveyed to you from above by Me.... I truly want to smooth the way for you, I want to help you take My Word to wherever people hunger and thirst for it. For I know whose hearts will not reject My Word when it is offered to them. And thus you only ever do the work which you are capable of doing and should know that I Myself will arrange everything else that serves the distribution of My Word. For this much is certain, I do not convey My Word to earth without purpose, even if it occasionally seems to you that the spiritual information does not fulfil any real purpose....

You should only patiently and with perseverance cooperate and carry out the work which has to be done by **people**, because **I cannot** affect all people **directly** and therefore need you to serve Me as mediators; for not all people would allow Me to have a direct effect on them, and yet they, too, shall receive My Word in order to enable their souls' maturity. And time and again opportunities will arise when My remarkable work with you can be mentioned; there will be receptive hearts who recognise that it is an extraordinary gift of grace and gratefully offer to assist in My vineyard, and whose willingness to help is gladly accepted by Me. For only **love** will achieve spiritual success. Therefore don't believe that you can attain such where this love is **missing**. Don't believe that I will give My blessing for an undertaking that clearly betrays the spirit of worldly interests....

My Word shall speak to the heart, and I can truly find other ways than the way people in the midst of the world want to take.... For they are not interested in My Word, they are still worldly minded, and therefore they will not contribute towards the spreading of My Word which shall have a **liberating effect from the world**.... The human hearts which shall accept My Word must have conquered the world already, just as My fellow workers on earth must have overcome the world in order to be able to work for the benefit of their fellow human beings. Thus **worldly** minded people cannot be accepted as labourers in My vineyard, for they will never work in accordance with **My** will but pursue their own interests, since they are driven to do so by the lord of the world, to whom they still belong. But I have enough means and ways to achieve My objective even without such 'assistants'. Love always has to be part of it if success is to be achieved, and love will also **recognise** My Word as an invaluable gift of grace and therefore also support it.

And thus you will also recognise your true fellow workers who gladly offer their help, and you will not hesitate to accept their help; and you will also know that My blessing only rests on your work when all of you carry it out with love and don't expect any worldly benefits from it.... For as you receive it you shall also pass it on; as My love has an effect on you, your love, too, should have an effect on your fellow human being. And this happens when My Word is unselfishly distributed, which is conveyed to you from above and, as the most valuable gift of grace, shall impart help and strength to people in their spiritual adversity during the last days, so that they will endure until the end.... Amen

Addressing the vineyard labourers.... Urgency of spreading the Word....

Every day you grant Me by undertaking spiritual work will be blessed, and your reward will truly not be small.... Yet you should not work for Me for the sake of reward, instead, your love for Me and your fellow human being should inwardly impel you to do so. You are unable to assess the immense spiritual adversity, but it is known to Me and I will guide you to wherever I still know there is a person who would be touched by receiving My Word so that you can inform them of My love, wisdom and power, of My longing for them and My constant willingness to help.... You should eagerly support Me, and even if only a few listen to you.... but each one of them will speak on My behalf and mention My Words again. For he will be knowledgeable, he will kindle a light within him and understand and will no longer want to miss My Word.... And these people will live in truth.... But they will also know that it is the truth which they receive from Me through you. For this reason only rarely will one of them fall away because they were serious about receiving the truth. But I do know where My pure Gospel can be conveyed to, who will accept it with a grateful heart.... And with My Word I Myself Am with everyone who receives it. Since I Myself will then be able to address him Myself through you, I can also answer every question they inwardly ask which will brightly enlighten their thinking and the origin of their mental knowledge, along with My Word, will become their innermost conviction.... they will no longer doubt and gratefully accept everything from My hand. And believe that no work will be done in vain.... for countless souls in the kingdom of the beyond can join in wherever My Word is read.... A circle of souls gathers around every person and they are all offered the bread of Heaven so that they will be able to nourish themselves with the food I Myself have in store for them. And thus you can also work in this kingdom where countless souls derive strength from this nourishment. Hence all those of you who take part in distributing these writings are doing redemptive work, and every labourer will receive his reward.... However, you must not tire, for the distribution of My Word will become increasingly more urgent the closer it gets to the end. And your task will become increasingly more difficult. As a result of the ever-increasing lack of faith.... fewer people will be willing to listen to you. Yet this should not dishearten you, for each individual soul is a gain for Me, therefore you should seek to attract them with all your love, try to deliver them from spiritual darkness and constantly request strength from Me. Truth can achieve a lot, no person can close himself to the truth.... providing he is still of good will, providing he still accepts Me and wants to know the truth about Me.... You are in possession of the truth from Me.... Distribute it wherever you can and don't let failures discourage you.... I want to bless you on earth already and later in eternity, where all work for Me will find its reward.... Amen

(Time of printing) (Print and distribution of the messages)

You have already been told several times that the spreading of the truth is extremely important, because people's eternal life depends on their attitude towards the truth, and therefore everything should be done to present them with the truth. But I know every human heart, I know who is receptive, and I also know the ways to reach those human beings who are still able to receive, whose heart is willing to love and who thus can also understand the Word which is given to them from above. And I let them have this knowledge by making the most unusual connections and sending My Word to wherever it will be received with a grateful heart. And there it will be passed on again, although only infrequently because worldly people have no desire for it and there are only few who can be approached. But do not forget that My Word needs to be offered with love in order to become effective, and that it requires a loving heart to receive it. Therefore any work which is performed to this end is blessed....

And now you can understand that every small effort pleases Me if I can speak to the heart of every person Myself and My direct communication is also felt as such, just as I bless every contributor who unselfishly adds towards the circulation of My Word.... Because I truly care for everyone who works for Me, I look after him like a good caretaker so that he can pass on My Word in the same way as he has received it himself: as a gift of love.... Moreover, My Word is not merchandise, but which it will always become when unenlightened people handle it, who can neither appreciate its value nor muster the necessary understanding for it and turn it into a mass-produced commodity.... which only devalues the Word and again only reaches those who similarly do not appreciate it as My message. The circle of those who can still be impressed by it is very small and will certainly be reached by Me. Every now and then you will find a few souls but then they are also completely convinced of My love and mercy. But intending to appeal to the crowds with it is a pointless undertaking.... since people will be ever more captivated by the world and will prefer to listen to the voice of the world....

Every spiritually enlightened human being knows how difficult it is to persuade other people to accept Words from above.... he knows that the adversary's actions are so clearly obvious that they have no desire for a gift of love offered by My hand.... And you should also consider that it merely adds to the many publications, which are also of a spiritual nature but do not originate from Me Myself, which requires spiritual awakening in order to recognise it as 'My Word', but this awakening is hardly ever found any longer.... I Myself, however, know the souls to whom I can send My Word. It would not benefit your souls to know the length of time you still have at your disposal but you would be horrified to know how close you are to the end. For that reason I constantly urge the workers in My vineyard to work diligently.... each one should do his utmost, he should not tire, because everything which was and shall still be offered to people will one day follow him into eternity as rich treasure or give him comfort and strength in times of severe spiritual hardship, which is yet to come. But I Myself will be with all those who serve Me and bless their work, for it is extremely important and intended for all of those who are caught up in misleading notions and desire the truth with all their heart.... Amen

Vineyard work according to God's will....

Every one of My co-workers is blessed by Me and given the silent assurance of My support as soon as he works for Me. For I need his cooperation, even though it is truly within My power to shape everything according to My will, and thus also to perfect you humans through **My will**. However, My plan for bringing you to perfection requires the human being's free will, for this reason the redemptive work must also be carried out by people, so that everything takes place within the framework of natural progression and no unusual activity compels a person to believe.... Time and again I give you the assurance that I will guide your every thought and that you then will also undertake the vineyard work according to My will. Yet I keep reminding you to work diligently and take pleasure in your willingness to help. However, in the final analysis, a blessed vineyard work will always consist of industrious detailed work.... the distribution of My Gospel will always take place on a small scale, for even if masses congregated in order to hear the proclamation of My Word, My Word would nevertheless only take root in a few hearts where the seed would grow. The success will decrease ever more during the last days, for the majority of people will turn away, they will close their ears because they no longer believe. But I know the individual human hearts and it is to these that I will convey the gifts of grace; I will bring them together with My vineyard labourers in order to speak through them directly....

You can believe that I will not leave out **one** soul where there is still hope that it will gladly listen to Me. And you, My servants on earth, will truly achieve **more** with diligent detailed work than with major campaigns which will not yield the success you hope for. But if I Myself foresee a success, then I will also guide your thoughts correctly and put the means at your disposal so that you can work again according to **My will**. Yet you should not rush into things nor worry, just grant Me your will and let yourselves be guided, and leave everything else to Me. How few people are open to spiritual knowledge because only a few have an awakened spirit.... You must bear in mind that most people don't understand it even if it is conveyed to them because they live without love and are spiritually entirely unenlightened. This is why the spiritual knowledge that originates from Me directly cannot be distributed to the same extent as any other writing which is and can be offered to the broad mass of population, because the world only appreciates worldly goods. But I know what will be successful, and from My side everything will be done in order to increase the number of those who will be saved, and you should only ever do what is within your power, and always lovingly help your fellow human beings in their adversity. And I will bless every effort regarding this rescue work. I Myself will support them in every way but I also foresee the achievement and therefore also know which work is fruitless, thus I will prevent it so that you won't use your strength and effort ineffectively. Yet the achievements of silently rendered vineyard work cannot be estimated by you, where the souls pick up and observe every thought that moves you, and therefore your redemptive work will never be in vain, for I want to address all souls, which you will always enable Me to do if you unselfishly work for Me.... Amen

Vineyard work according to divine will....

I will bless every effort that applies to the distribution of My Word. You cannot imagine how necessary it is for people to be informed of their purpose of earthly life, for they only consider it to be the maintenance of their body and live a life which can be called everything else but spiritual. The dark of night prevails everywhere and nothing else will help but to spread sparks of light which tear the darkness apart and can stimulate people into following the right path they recognise in the glow of the light, and I will truly see to it that the illumination of light will increase.... I will still make My Word from above available to all those who can yet be affected by it such that they will listen to the One Who is addressing them and accept His admonitions, so that they will finally allow themselves to be led and will no longer be able to go astray. I know the means and ways and will truly employ them. I leave no opportunity unused and you, My servants, shall only ever willingly carry out what you are urged to do from within, for this urging comes from Me, to Whom you have offered your service. So let Me tell you that you need not fear the weakness of your body either, that I will give you strength to work for Me, because I need diligent labourers in My vineyard and recognise full well who serves Me with complete dedication.... Yet don't tear yourselves apart by zealously embarking on things which I did not assign to you.... You should always pay attention to My instructions and do what I ask of you.... For you can believe Me that true success will be achieved in silent activity, that I Myself will only powerfully manifest Myself when otherwise nothing else can be accomplished anymore and the end is near.... But if you want to win over the 'world', if you want to teach the masses, much of your work will be done in vain, for there will only be a few more and you will not manage to change the 'human race', you will not succeed in bringing **many** people to their senses, instead, only **individual** ones would reward such overzealous efforts.... Then you will have employed your strength in vain, for these few will.... because they mean well.... also still be won over through silent activity, because they are known to Me and I will make My Word accessible to them too....

However, My paths are different than yours, hence you should pay attention to the inner voice and comply with it as My instructions. This inner voice will never induce you into drawing particular attention to yourselves or into embarking on great campaigns which I know will not be very successful. I will therefore exclude My co-workers from the world time and again, because then the work for Me and My kingdom can be carried out more intensively and because My vineyard labourers should also increasingly perfect themselves, which heartfelt dedication to Me will achieve and is more likely to happen in seclusion than in the flurry of the world, for everything you expect to be very successful requires worldly preparations which, in turn, are not suitable for internalising the person. For this reason I repeatedly advise you to carry out silent vineyard work, which consists of lovingly influencing your fellow human beings into shaping themselves into love and of informing them of My Word.... hence of contributing the most important thing towards distributing My Word which is conveyed to you directly from above.... Believe Me that the effect of My Words will yet achieve the greatest blessing and spiritual progress.... Believe Me, that you will gain extraordinary merits if you utilise all opportunities to inform your fellow human being of My Word, for it will affect everyone who is still of good will.... whilst people will only accept all other efforts to teach them spiritual knowledge with their intellect without involving their heart apart from a few, who, however, I will also win over for Me by other means, because I know the human hearts. Consider the fact that it takes intellectual thought to present My divine revelations to people such that they will be gripped by them.... but that only the intellect is addressed and that it will rarely lead to spiritual success.... but that the direct conveyance of My Word or the passing on of My direct revelations will be far more successful because My Word is blessed with My strength and because **those** people who shall contribute towards inducing spiritual advancement among people had to already possess a certain degree of maturity prior to it.... Believe Me that I will bless all silent work for Me and My kingdom, and make every effort to be diligent labourers for Me who will only every follow their Lord and Caretaker's instructions and lovingly look after their fellow human beings.... I will do everything else for you and also guide you such that you will offer My Word to those who will gratefully accept it as an unusual gift of grace which will truly have the desired effect....
Amen

The vineyard labourers' service for fellow human beings....

You have been given the task of spreading the Word of the Lord and you will be guided such that it will benefit your task. You are constantly looked after by Him, you need not go anywhere on your own, you need only hand yourselves over to Him and then you will always act according to His will.... You will be guided in an earthly and spiritual sense and therefore also work in His vineyard according to His will. The Father's love embraces all His living creations and He knows that many of His creatures still suffer great spiritual adversity.... Yet He is unable to speak to them noticeably, His voice cannot sound within them or it would exert compulsory faith or forcibly direct their will towards Him. But He can speak to them through you, His servants on earth, and He will indeed do so as soon as the opportunity for it presents itself, which your will is to provide. And since every single soul is dear to him, He will always guide you such that these souls will become accessible to Him through you. It is an immense spiritual achievement if thoughts of the afterlife can be aroused in people, if their attention can be drawn to the kingdom which is not of this world, if they only once consider the purpose of their life on earth and mentally try to detach themselves from this world, but this is difficult to achieve with people who are so utterly captivated by the world that they won't allow any spiritual thoughts to arise in them. Hence it is difficult for the vineyard labourers to establish contact with them; but if they succeed in their attempt it will be even more beneficial, and it will always be achieved through God's blessing, to Whom you are of service. Consequently, no work will ever be in vain for Him, souls will always derive benefit from it, because you are constantly accompanied by souls in the beyond who feel the soothing effect of your emanation of light and greedily consume the spiritual nourishment which is offered them by you when you receive the divine Word and pass it on to fellow human beings who willingly listen to you.... You must only ever be willing to be of service to Him, for it **is** a service you do for your fellow human beings if you support them on behalf of God, if you do what He Himself would do for them.... if you convey His Word to them, if you inform them of the Father's love and the relationship He would like them to establish with Him.... if you return the children He longs for to the Father. You should speak in His name, you should merely be the mouthpiece through which the Father can express Himself.... for human words are still more likely to be accepted as the Word of God as long as a human being has no faith.... But he can be led to faith through human beings, and these human beings will then work for God and His kingdom, then they will be suitable labourers in His vineyard and their work will not be fruitless....
Amen

God's care for the vineyard labourers....

Those of you who offer to work in My vineyard are being led and guided by Me.... Nevertheless, you must consider it a priority, for you receive and distribute everlasting spiritual possessions.... whereas all secular work merely provides you with transient goods.... And do you know how long your existence on earth will last?.... Hence, you can work and work and yet derive no benefit from what you acquire through earthly exertion.... The work for Me and My kingdom, however, is followed by many spiritual blessings which will be permanent and will also provide earthly benefits, for you will truly not need to live in want as long as you, as My servants, fulfil the will of your Guardian, as long as you are of service to Me during the last days before the end when I will particularly require your assistance. You can indeed believe that your earthly worries will diminish as long as you consider your work for **Me more important**, for I said 'Seek ye **first** the kingdom of God.... and all these things shall be added unto you....' Even so, as long as worldly needs are taken into account **first**, the work for Me will fade into the background and then you will find it increasingly more difficult to commit yourselves to Me and My kingdom.... Your thoughts will be far more inclined towards the world; My kingdom, however, is not of this world and the human being must fight if he wants to make heartfelt contact with Me again.... But I urgently need you as fellow workers, because I don't force anyone to place himself at My disposal since only a free act of cooperation will result in the blessing **that** the redemptive work will be successful, regardless of which work you accomplish for Me.... As soon as you are permeated by love for Me and your neighbour you are suitable assistants for Me and this love will always impart upon you the strength to work for Me. Therefore, don't allow yourselves to become depressed by worldly worries which I can easily avert and will indeed do so once you **predominantly** commit yourselves to the spiritual profit you will achieve through your keen cooperation.... both for yourselves as well as for the souls needing redeeming and, not least of all, for Me as well, once I have regained these souls for Me through your activity for Me and My kingdom. You should always bear in mind that every person's life can come to an end tomorrow and that no amount of earthly gain will be of use to you anymore, but that you may take the spiritually acquired rich treasure with you into the kingdom of the beyond and that your activity in this kingdom will then be a blessed one, because then you may distribute and receive again without limit. And if those of you who want to serve Me as faithful servants always bear a near end in mind, irrespective of whether it concerns the whole of the human race or just yourselves.... then you will recognise the futility of earthly labour and will surely give priority to spiritual work, and you will certainly also be sustained by Me Myself. You will not need to suffer hardship, because I Myself, as your Guardian, will look after your physical needs as well so that you will be able to accomplish your task.... You should believe that I will always find means and ways, that nothing is impossible for Me, that you only need to fulfil My will to be certain of My help at all times.... However, I will often also put you to the test as to whether you are willing to resist the world's onslaught, and you need to pass such tests of faith because precisely **your** faith must be particularly strong if you want to withstand My adversary's temptations, as he will confront you time and again in order to prevent you from working for Me and My kingdom.... But then you should know that My power is stronger and that I will certainly protect you from him if only you are willing to be of service to Me.... Amen

ensures for them a constant protection from the enemy...*

The vineyard labourers trust in divine guidance....

You can always rely on My guidance by merely placing yourselves under My protection and choosing Me as your guide. In that case you can rest assured that I will protect you from My adversary's every onslaught, that you will always receive the strength to resist him if he wants to tempt you, for once your will belongs to Me I Am also entitled to protect you from him, otherwise, however, I will not stop him because he, too, is fighting for the souls so as not to lose them. It is always the human being's own decision to whose power he entrusts himself.... Yet I will at all times assist the person who has found the path to Me. Then he will also be active in accordance with My will, for My influence consists of encouraging the human being to live a way of life which is pleasing to Me.... Then he will always feel inwardly impelled to do or not to do this or that and he can be certain of the fact that I Myself place this urge in him, that it is My expression which is felt by the heart of the human being who entrusts himself to Me. Similarly, I will place the right thoughts into your hearts, My servants on earth, when you work for Me in My vineyard, because this should also be done according to My instructions, even if it occasionally seems doubtful to you. As soon as you have offered your services to Me I will also assign your work to you and you can safely follow your inner inclination. Nothing happens thoughtlessly, I always pursue a specific plan or purpose, and you only ever accomplish what I would do Myself if I lived on this earth in the flesh.... Thus you represent Me, and you can believe that I place My will in you so that you seemingly act according to your own will, but that this resolve is always caused by Me because you voluntarily offer to work for Me. But not all people pay attention to the inner voice and therefore I cannot speak to them directly, nor can I speak so frankly to them that they will be convinced of being addressed by the Father Himself.... I must speak to people through mediators whose words they can either accept or reject, yet this is up to them on account of their freedom of will. Nevertheless, no human being shall go without My merciful care, I look after everyone and show them the right path when they go astray.... For this reason I inform them through My messengers of the right path which they, in their spiritual darkness, often can't find or take a path which leads them astray because it is illuminated by the deceptive lights My adversary has ignited in order to mislead people who want to reach higher spheres.... But as soon as these call upon Me Myself and appeal for My protection and guidance they are already on the right path and I will send My messengers to meet them in order to assist with their ascent to Me. Nevertheless, My protection and guidance are only rarely called upon, people believe they have enough strength and light at their disposal and that they will then also be receptive to My adversary's influence who knows how to present them with flowery paths and to conjure up the most attractive regions which, however, will infallibly end up in darkness.... and thus the human being has not ascended at all but walked down into the abyss. Only the person who voluntarily entrusts himself to My guidance can travel his earthly path without worrying, for he will reach the goal.... He has handed himself over to Me of his own free will, and I will indeed be his final goal, he will join Me, the One he always intended to reach.... I only want you to voluntarily give Me the right to guide you through your life on earth, then you will never need to fear going astray or failing, for then you will also always do what is right before My eyes, because this will is in you once you have accepted My will and given up your own will.... in that case the adversary will have no more power over you because you will resist his temptations, you will remain faithful to Me and I will always grant you My protection.... Amen

God's merciful guidance of the vineyard labourers....

You should pay attention to My will, which I shall always place into your heart when you appeal to Me for advice and help. Then you will feel it as an inner urge which you should comply with. The prerequisite is, however, that you establish contact with Me in prayer first, that it is your own will to receive My instructions, because you cannot assume that every thought originates from Me but must also take into account that My adversary intervenes in your thoughts if he feels that you pray half-heartedly, that not your heart but only your mouth is speaking. Therefore you should constantly observe yourselves, but always trustingly come to Me with every request and appeal to Me for support. You should always know that you will be guided by Me as soon as you want to be active for Me, for this activity of yours is wanted by Me and can therefore never be wrong if it is your serious will to thereby be of service to Me. For countless beings of light are protecting you by fending off all incorrect thoughts so that you can therefore accomplish your spiritual task with complete peace of mind and need not be afraid of being used by the adversary.... And you must be certain of this, because you should stand up for your spiritual knowledge and will only be able to do so if you are sure of My protection. Consequently, you need not worry that you would ever lose My love, for I Am aware of your struggle and know every doubt arising in you, yet I also know that you will quell these doubts yourselves because you will receive the strength for this from Me. However, you must remain firmly connected with Me so that I will be able to affect you directly. For the adversary will also try to prevail, but he will be unsuccessful if you always long for Me and My presence, for he will take flight from the light and thus from Me Myself, Who kindles a light in you.... Time and again you will notice My merciful guidance if only you pay attention to how I direct everything, if you keep your eyes and ears open, if you take notice of how everything falls into place and always shows My care.... because as long as you are ready for Me, I Am also willing to smooth your every path. For all this is the **result** of your will to serve Me selflessly, which I rate as proof of your love for Me. And therefore you are being presented with knowledge which only ever serves to enlighten you, which proves My immense love for you and from which you can conclude that I do not just want to be your **God** and **Creator** but that you should recognise your **Father** in Me instead. This is why I convey to you the information which enables you to infer to a supremely perfect Being Which bows down in Its infinite love to let you partake in that which My sphere of love has to offer.... For all the glories in My kingdom were created by the Father for His children in order to make them infinitely happy. However, you must know about it.... And this knowledge must be conveyed to you by those I was able to initiate in My plan of Creation, who willingly open themselves to rays of light. And if you now consider how little light can shine among the human race, then you will also understand that I will repeatedly assure those of My care who want to comply with the task of introducing this knowledge to their fellow human beings, for although their mission is an exceptionally beneficial one, it is also a difficult task, because not many people can be found who question the purpose of their life on earth and who are therefore also willing to accept instructions. But My blessing will forever be with those who work for Me and My kingdom, because the only important thing is that they enlighten their fellow human beings about the meaning and purpose of life on earth, about My will and that they also spread the knowledge of the significance of the act of Salvation, for this information is essential if people want to become blessed.... Amen

Spiritual community.... Working together....

A spiritual community can convey many blessings, for it distributes My Gospel in Words and deeds. However, I do not call members of an organised association a spiritual community but only people who, in spiritual unity, strive towards the same goal of coming close to the truth and thus to Me and who therefore also want to lead their fellow human beings to Me. For organisations can also exist without truly spiritually striving members, and I only acknowledge spiritual aspiration as the right desire for Me. An association of people who seriously discuss spiritual topics, whose hearts silently love Me and desire a bond with Me, is a spiritual community which is pleasing to Me, My blessing will always rest on them and the very spiritual work they do will be blessed by Me. Wherever they are together I dwell among them and guide their thoughts in the right direction, I intervene in their conversations Myself by expressing Myself through a person who is particularly devoted to Me, who will then effectively instruct the others and also be acknowledged because the others will feel that I Am at work, because they will feel addressed by Me and will be convinced that what they hear is true. A spiritual community will always render Me a great service, for they will achieve far more than an individual person can achieve by only working for Me and My kingdom. Yet every individual person should try to gain followers for Me, every individual should strive to expand the spiritual community and always lead new labourers to Me because many reapers will be needed during the last days and the work that still needs to be accomplished before the end will require every effort. Together you can be very successful, for people will always look at a solitary person with distrust and lend little credence to his words. However, as soon as other like-minded people join him everything he says and does becomes significant. Therefore try to find like-minded people with the same striving to be of service to Me and to do redemptive work on earth during the last days before the end. By doing so you will gain very much yourselves but you will also gain new souls which you can lead to Me, which you can prepare for their mission of becoming co-workers for Me and My kingdom, to whom **you** can proclaim the Gospel so that they will pass it on to all those who suffer spiritual hardship. What is not possible for an individual person can be achieved by many; they will find it easier to be believed and will always be strengthened by Me, for I bless all who are of service to Me.... Amen

Misguided overzealousness....

The size of field you shall cultivate will always correspond to your will to be active and your suitability.... It may be very large if you wholly support this cause, and it may only be a small area, depending on your will and your eagerness to serve, for I do not exert any pressure or coercion, I give as you desire.... But often My vineyard labourers expect too much of themselves insofar as that they take on tasks beyond their abilities for which I have not appointed them.... that they want to arbitrarily handle areas due to a certain ambition somewhat ambitiously, with the intention of distinguishing themselves. In that case they will cause more damage than blessing, for due to their ambition they leave My sphere and this signifies a welcome opportunity for My adversary to give his instructions, which are also frequently listened to. And this is a danger which threatens every vineyard labourer who does not strictly adhere to My instructions, who is impelled by overzealousness because he has lost his inner humility.... because he wants to **achieve** much but does not want to **help many**. It is just a fine difference but all My vineyards labourers should sincerely check what motives impel them to work in My vineyard. They should not fail to approach Me in silent prayer for My instructions and then always carry out what impels them from within. But they should not engage in tasks which I have not allocated to them and which therefore must be more described as worldly work although they apparently pursue spiritual goals.... You humans have no idea what methods My adversary works with and how easily he can draw you into his nets of lies; but you need not fall prey to him as long as you submit yourselves to Me with profound humility and desire only to be guided by Me. But I will not entrust you with work in an area as long as you are not proficient in this area. If, however, you enter it without My instruction then you will be influenced by the opposition, because he knows your weakness of wanting to distinguish yourselves. And then he will serve you according to your wishes....

People have often taken this path before, they had been willing to serve Me but didn't want to work in a **small** circle, instead they looked for an area of activity which enabled them to become more publicly known without, however, having received My instructions to do so.... And then they often carried out tasks without realising **who** had prompted them to do so.... And thus it was possible that initially good servants became unsuitable for the work in My vineyard because too many worldly instincts still laid dormant in them which came to the fore and justified their misguided overzealousness.... On the other hand, however, not everyone wanting to be of service to Me needs to fear this danger if they regard Me Myself as higher, if they also entrust their weaknesses and imperfections to Me and pray to Me for protection from their own failure and always wait for My instructions before they embark on a task. Temptations certainly approach all My servants as well, because each one still has weaknesses and imperfections to show which he knows and tries to take advantage of. But the human being's close bond with Me protects him from falling prey to him.... whereas the bond with the world weakens a person's resistance and puts him subsequently at risk of succumbing to him. Therefore you should always look within, do not pay too much attention to global affairs but more to the spiritual development in the world, in your surroundings and in yourselves.... Then you will also diligently render detailed work, you will work at improving yourselves, you will always helpfully stand by your fellow human beings' side, you will provide them with the spiritual nourishment they are lacking.... And this field of activity will be as large as you are capable of working on. However, you should not venture further afield if you don't want to work for the one who is My and your adversary.... Amen

Calling upon the vineyard labourers....

Anyone who expresses his willingness to do vineyard work will be accepted, because there is never enough work that can be done for Me and My kingdom. And people will always be assigned their place according to their ability to do justice to the task requested of them. At the time of My life on earth I chose My disciples Myself because I was aware of their inner life, of their sincerity of love and their desire for truth. And I will always choose My disciples Myself who shall carry My Gospel into the world during the last days before the end. However, there are only a few who wholeheartedly hand themselves over to Me, who have already overcome the world and are willing to serve Me when it comes to spreading the truth. For it is primarily a matter of introducing people to the truth, that is, of conveying truthful knowledge to them about Me Myself, Who lived on earth in Jesus and accomplished the act of Salvation. It is primarily a matter of proclaiming the name of Jesus, His divine teaching of love and His suffering...

B.D. 8855, 19.9.1964

Importance of the missionary work.... Making use of the knowledge....

*Time and again you need to be told that your task solely consists of searching for Me so that I can let Myself be found by you, because I want to be the object of your love, and what you search for is what you desire, what you love.... I only want to gain your love and then you will have accomplished your purpose in life. Then I will be able to return your lost realisation to you while you are still on earth and you will enter an enlightened state, all darkness will have been overcome, you can let all abilities in you break through again, your earthly life will result in visible progress because you will have established a heartfelt bond with Me which gives you light and strength in abundance. And if you are therefore instructed by Me Myself about your original state, about the purpose and goal of earthly life, you need not fear any decline anymore, for this realisation will stay with you forever. Your only task remains to let your fellow human beings partake in this realisation of yours, even though it is up to them whether or not they want to accept this. You, however, possess the knowledge, and this can no longer be taken away from you.... However, as long as you still live on earth you must also make use of this knowledge, you cannot use it just for yourselves, it is connected to the task of passing this knowledge on to your fellow human beings who are still completely ignorant and who will react to it entirely differently. That which seems perfectly natural to you is incomprehensible to them as long as they are not seekers themselves and have an open ear for your disclosures. So this is the work you should do for Me, because it is My will that a bright light shall shine in all places, because I want to counteract My enemy and because I want you to participate in this battle. For he has done an excellent job by covering humanity with impenetrable darkness.... he has done everything in his power in order to undermine the pure truth from Me. And he has succeeded, for only a few people know their purpose in earthly life, only a few people keep My two commandments which I gave people as a basic prerequisite in order to gain the knowledge again. **Love** is indeed necessary in order to understand the offered information, **without** love it will remain dark in them, and **without** love they cannot establish contact with Me which would give an understanding of the knowledge to them. And therefore I can only ever tell you again: inform people of My commandments of love and, depending on their attitude towards them, the knowledge they are offered will either appeal to them or not. But you must not fail to constantly draw their attention to **My love** and explain to them that I do not implement anything which is not based on **My love**.... For people cannot understand that all kinds of misfortunes shall only ever impel them to turn to Me, to appeal to Me for advice and help, and I will truly help them as well, but this cannot happen if they don't believe in Me.... Hence you must teach them to believe in a God of love, wisdom and power.... Once they have gained this faith they will take the path to Me by themselves, and then your help will become evident, then they will also accept the knowledge and it will bring them peace and joy, just as you yourselves have received. I want to draw close to all people, I want to lead all people to the light, each one of them is dear to Me and I want to gain **their love**. Nevertheless, My adversary's activity will continue until the end and he will still win many victims for himself. For this reason you should class yourselves as My fighters who fight by My side for the salvation of souls. Even if only a few listen to you, every single soul is a gain for Me and it will be eternally grateful to you that you protected it from the fate of a renewed banishment. Always listen to what I have to say to you and don't think that I don't require your help.... I Am always willing to speak to you and to constantly increase your knowledge, and thus I want to continue instructing you because I still have much to say.... The time is approaching its end and you cannot be nourished often enough with My Word, for with My Word you also constantly receive strength, which is urgently needed by all of you for the work in My vineyard.... Amen*

... and dying on the cross. If people don't want to go astray, then they must have found Jesus Christ on earth, because it will not be so easy for the soul to find Him in the kingdom of the beyond. Yet **without** Jesus Christ they cannot enter the kingdom of light and attain beatitude. Hence, it is crucial that My vineyard labourers proclaim Him on earth and draw their fellow human beings' attention to their Saviour and Redeemer.... And in order to be able to

proclaim it they must first have been instructed in the pure divine truth themselves. Thus it also includes the fact that My spirit can work in those whose subsequent work for Me in the vineyard shall be successful. And My spirit can only work when the necessary prerequisites are in place: profound love for Me, which expresses itself in merciful neighbourly love, living faith and desire for truth, which can only flow forth from Me to them if they are willing to spread this truth. Then I Myself will be able to instruct them, thus, as Master I can enable My servants to convey the truth to their fellow human beings, to inform them of My reign and activity, of My nature, which is love, wisdom and omnipotence in itself, and of My eternal plan of Salvation, which will also reveal to them the reason and purpose of their life on earth. They will be able to inform their fellow human beings of My will, which they must fulfil in order to become blessed. And they will proclaim My teaching of love and admonish their fellow human beings into shaping themselves into love....

B.D. 5824, 10.12.1953

Light of truth.... Lamps without oil.... Used garment....

Your work is to illuminate, to carry light into the darkness of night, for you are surrounded by darkness where no light has been ignited as yet. It is night wherever pure truth is not to be found, where people live in error, where they have not yet been correctly informed on the spiritual level.... It is night where the human being's spirit has not yet awakened to life, which alone ignites the light in his heart.... Whatever spiritual knowledge you humans receive will remain worthless to you as long as you don't live a life of love, for it will just remain dead knowledge.... But if you look around, you will not be able to find many loving people and therefore not much light either, since love radiates the light in the first place, since the knowledge only comes alive when it has been brought to life by love....

Wherever love is taught My fundamental law is proclaimed, and there is also truth.... There are the true representatives of Christ and they speak in My spirit.... Whether they succeed in that their listeners will fulfil the commandments of love is up to the latter, but the human being's state of maturity and thus also his spiritual enlightenment, the complete realisation, the person's inner illumination, solely depends on his fulfilment of the commandments of love for Me and his fellow human being.... The fulfilment of the commandments of love requires a way of life in accordance with My will, a moving within My eternal order, thus a change from evil into good.... This alone is My will, and My true representatives on earth shall motivate people to do so, this alone is the vineyard work which shall be carried out by My servants, to inform the human being that he can only become perfect through a life of love, that only love can establish the union with Me.

Consequently, anything that is presented to people as My Gospel should only aim to achieve ennobling the human being, transforming him to love, then My servants on earth will carry out true vineyard work.... But why is there so little light on earth, since My Gospel is proclaimed all over the world after all?.... Or is more importance placed on ceremonies than on proclaiming My Gospel?.... Is the proclamation of the divine teaching of love treated as less significant in order to give priority to other doctrines instead? And are people paying more attention to these additional teachings and commandments than to My teaching of love?

Think about these questions seriously and draw the right conclusions from them.... If I make the fulfilment of My commandments of love dependent on spiritually maturing, if spiritual aspiration reduces or even negates earthly adversity, but if you can observe more earthly hardship than ever in the world, then spiritual progress must also leave much to be desired and thus it follows that people also neglect what I repeatedly tell them is the most essential requirement: to practise love.... And thus the Gospel of love is not being preached to people emphatically enough either.... Consequently, there must be too few true representatives of My teaching of love, too few faithful servants on earth of service to Me, even though they all believe to speak on behalf of My name....

There is too much pretence and too little truth, and death can also be found where I should be proclaimed and where it is believed that I Am proclaimed, nothing is alive anymore but traditional appearance, a mere reflection of what once shone brightly in utmost vitality.... That is why there is no more life amongst people either, no realisation, no truth and no spiritual progress.... all that is left is a used garment which serves no more purpose, but which is kept in exaggerated esteem.... They are lamps without oil, falsely presented to people as sources of light but which are unable to emit even the slightest ray of light. Hence there is darkness everywhere, there is spiritual night all around, and only very rarely tiny lights flare up, only very rarely will a true representative of My kingdom gain access into the darkness with his light.... Yet their light will shine brightly, they will be able to offer clarification and bring the truth.... the light of realisation, which will beneficially affect everyone who is looking for light.... Amen

... because their degree of bliss solely depends on this, when the soul enters the kingdom of the beyond after the body's death. My servants can only work for Me if they can do justice to the task of spreading the truth.... They must be in possession of truth themselves, thus they must have received it from Me, if they want to perform real vineyard work.... But then they will also have been chosen by Me to go out into the world as My disciples during the last days and to proclaim the Gospel to people.

The hallmark of My true representatives on earth is the fact that they were guided into truth by Me Myself, that they say the same on My behalf as I Myself would have said to people when I still lived among them in the flesh, **like** I did during My life on earth. Therefore, anyone who receives My Gospel himself is My true disciple. And 'My

Gospel' is the true doctrine of Salvation: the knowledge of the purpose of existence.... the knowledge of the original sin and the apostasy from Me.... the knowledge of My eternal plan of Salvation to guide My living creations back to Me and to happiness despite the immense original sin.... but this first requires the knowledge of Jesus Christ and His act of Salvation. Only when a person has complete knowledge of what constitutes the 'plan of Salvation' can he be a true disciple for Me.... He must be able to explain the correlations, he must know about the immense guilt of the living creations which originated from Me in all perfection and yet became imperfect of their own free will.... Only when a teacher knows everything himself will he also be able to teach successfully,...

B.D. 4963, 5.9.1950

Words of love.... Words of wisdom.... Teaching ministry.... Criticism on publishing....

In realising your task in life, which consists of distributing the pure Word of God, everything will cause your rejection that has not come forth from the primary source of truth. But they can nevertheless be Words of love with no indwelling God-opposing spirit, and everything that is not in favour of Me is good if it inspires love. In the spiritual kingdom the beings which are permitted to teach recognise each other by their radiance, it is therefore impossible for a still spiritually unenlightened being to intervene. The earthly child which willingly opens itself to the spiritual influx will be lovingly grasped and protected by the beings of light.... I, your God and Father of eternity, Am present in spirit to all those who want to be in contact with Me. I do not abandon these people, for they are My children who have already informed Me of their will. Hence they also sense My presence, they hear Words of encouragement and of comfort from Me, they hear Words of love, which I have on hand for all people who want to listen to Me. It is also My will that they speak to their fellow human beings of My love, I want them to actively stand up for Me, that they motivate their fellow human beings to establish contact with Me as well, that they therefore guide all those into a living faith who allow themselves to be led, thus who are willing to recognise Me. I also give them the ability to speak on My behalf so that they can be successful when they vividly describe My working in them by filling their hearts with profound love for Me and their subsequent hearing of divine Words of love. This has to be said to all those who can hear Me speak in spirit, to whom I reveal Myself so that they will learn to recognise and love Me. They shall proclaim that they themselves experienced My working in them.

*However, not all are assigned the task of instructing their fellow human beings, the task of imparting the divine wisdom, the eternal truth to them. For this teaching ministry requires more, only the chosen ones among those I have called shall hold such a teaching ministry and it is them who must therefore first be instructed by Me for the teaching ministry before they can work on My instructions. Anyone who wants to proclaim wisdom must be wise himself and accept his wisdom from Me, for that which should address a person's heart must also be acceptable to the intellect. Wisdom must be recognised as wisdom, for although it requires good will to do so first it must nevertheless also stand up to serious scrutiny, which can only be expected from truthful knowledge. The intellect must not be excluded where it concerns the acceptance of My pure teachings of faith. Since I gave the human being the ability to think I must also provide him with knowledge which his intellect is **unable** to reject if the heart is open to My instructions. Consider this, then you will understand that not everyone can be a teacher for his fellow human beings, that a person must first have penetrated the wisdom himself before he can instruct other people. Furthermore, consider that all instructions spread through print or in writing are intended to be a blessing.... that you should therefore proceed very judiciously if you don't want to endanger the pure truth, which cannot be taught by **everyone** who is not called to do so. For you **endanger** the truth if a serious seeker of good will discovers flaws which make My nature seem implausible or imperfect to him, because his intellect also wants to form an opinion. I, your God and Father of eternity, certainly recognise your will to be of service to Me and bless you for it, yet you should not step into the public domain without My specific instruction, since you have plenty of opportunities to work in privacy, that is, in the circle I Myself bring close to you. For I look into the human hearts and know whom I bring together so that they can find Me. Yet I also know what causes deliberate rejection if it is not offered to people in the right way. I certainly give evidence of My love to all those who desire it, yet not all of them have attained the degree of maturity in order to hear My Word **audibly**, just as not every soul is capable of repeating what My love conveys to it **mentally**. For this reason such souls are not called for teaching work, although they can be very beneficial by communicating their thoughts to people in their vicinity since, if they love Me, their thoughts cannot be wrong as soon as they speak on behalf of Me and My kingdom.*

*On the other hand, it is quite a different situation where it concerns the public distribution of spiritual information to the human race, which lays claim to having emerged from Me directly and which should be accepted as purest truth. Then those who seriously and with good will scrutinise it intellectually must also be able to accept it, because the pure truth, having originated from Me, can certainly stand up to any test, since it speaks for itself. **Even** the pure truth will meet with more rejection than acceptance, but the reason for this cannot be found in the fact that it is unacceptable for a person, but that the person, due to his God-opposing relationship, is no longer capable of recognising it. But even the person most incapable of recognising relentlessly uncovers what prevents him from accepting spiritual knowledge and is delighted if he encounters a target in order to doubt the pure truth. And you should not provide him with these targets if you want to work for Me and My kingdom. You can certainly be of service to Me and constantly present Me to your fellow human beings as a God of love and mercy; you should, wherever possible, influence your fellow human beings to practise love, by living a way of life according to My will you should be an example to them, you should strive spiritually and also strive to encourage your fellow human beings to do the same, you should sincerely unite with Me and pray to Me in spirit and in truth, and you will feel My emanation of love*

increasingly more, you will think, act and speak correctly and thus be My faithful fighters in the battle against the one whose aim it is to ruin all those who don't resist him. And thus you should wait until you hear My call to carry out specific work in My vineyard, for the time is not far away when I will need those of you who want to be of service to Me, and when I will assign a task to everyone according to his ability.... and blessed will be the one who serves Me... Amen

... and only then can he be sent into the world by Me in order to proclaim the Gospel to people. Therefore, a disciple chosen by Me must possess great knowledge himself so that he can accomplish his task.... And there are not many who let themselves be taught such that I can guide them into truth through My spirit.... there are not many who can be initiated into My plan of Salvation, even though the desire has arisen in many to hear Me, to perceive My voice within themselves. Nevertheless, I address all those who wish to be addressed by Me and I give what they are capable of receiving. And, at all times, My Word, My speech, will be a blessing for them and often also fall on ground which can yield good fruit for Me.... And so, everyone who is willing to serve Me shall be allocated an activity according to its success, but the sphere of My labourers' activity will always differ depending on the seeds I distribute to them.... depending on the knowledge they received within through the working of My spirit.... And everyone can work with it according to his ability and he will be blessed by Me.... for many are called but only few are chosen.... Amen
